**III. Chair Comments**

- Summary Report: Feb 20, 2025. Senate: Feb 25, 2025. BOT: Mar 18, 2025.
- Next AP&P Committee Meeting: Mar 6, 2025.
- Next TRC Meeting: Feb 27, 2025.
- Proposal Types
- Program Vitality and Program Deactivation Proposal.
- Guided Pathways and Program Maps.

**IV. Agenda Item:** Evaluation Team Report Summary: Recommendation to Discontinue.

Provisions are:

- Detailed plan and recommended timeline for phasing out the program with the least impact on students, faculty, and community.
- A way for currently enrolled students to continue their programs of study or a plan for them to meet their educational objectives through alternative means.
- Consider the requirements of collective bargaining for full-time faculty and CSEA staff, including application of policies for reduction in force and opportunities for retraining.
- Continue to offer four courses:
  - **ENVT 101.** Introduction to Environmental Health and Occupational Safety. 3.0 units. It meets criteria for: AHC GE Area 5. Natural Science and AHC graduation requirement Health and Wellness. It can be offered Distance Education. Last successful offering: Fall 2024. 29 students.
  - **ENVT 156.** First Responder Operational (FRO). 1.0 unit. It is a requirement for Emergency Medical Services. AS and Certificate of Achievement. Each year, 25 students earn CalOES-CSTI FRO certificates. It is a local resource for business and government employers for CalOES-CSTI certificates.
  - **ENVT 150.** Hazardous Materials General Site Worker 40 Hours. 2.0 units. It is a stand-alone course for the local Certificate of Accomplishment: Environmental Health and Safety: Hazardous Materials General Site

Worker. It is an employment requirement for all AHC CSEA employees who work with chemicals. It provides the mandated OSHA training and California State Office of Emergency Services certification for general industry and emergency response entities.

- **ENVT 450.** HAZWOPER Refresher. 8 hours. 0.5 unit. It is a standalone course for the local certificate of accomplishment, Health and Safety: HAZWOPER Refresher 8 hour. It is an employment requirement for all AHC CSEA employees who work with chemicals. It provides the mandated OSHA training and California State Office of Emergency Services certification for general industry and emergency response entities.
- The above courses may be considered for noncredit education or contract education.
- **Timeline**  
 2025-26 Academic Year. ENVT course options will not be offered.  
 Five students are nearing completion of the ENVT degree. Meet with the counselor for alternate pathways. Enroll in ENVT 189. This will allow completion of degree requirements with no need to schedule historically under enrolled.

### New Credit Courses/New Credit Course from Clone

Do not use the clone proposal types.

Prefix & Number	Course Title	Units
ART 166	Raku and Alternative Firings Justification: 1. I plan to develop a <b>Certificate in Glaze Application</b> . At present our students have courses devoted to Low fire, glaze making, and High fire glazing techniques. This new course will allow the students to explore new glazing techniques for Raku and mid-range electric kiln firings. Once they take Art 160 (Low fire glazing inclusion), Art 366 (High fire glazing inclusion), Art 162 (Glaze making techniques), and then proposed Art 166 (Raku and Alternative firings), a certificate will be available: in Glaze Application. 2. By taking this course, and receiving the Certification, students will be more versed in all glazing processes in ceramics: preparing them for all glaze techniques covered at the four-year universities and professional growth in ceramic surface decorations practiced globally.	2.0

	Lec 1.8 hours. Lab 1.8 hours.
