College sponsored events may be publicized on the campus according to established procedures. All posters, signs and printed material distributed on the campus must be non-commercial in nature and must be in good taste. Use of publicity materials shall be regulated as to reasonable time, place and manner as determined by the Vice President, Student Services or his/her designee.

The college campus is not public in the sense of parks, streets, etc.; thus the campus is not open for expressions of free speech and distribution of material in any manner by the general public without regulations. On the other hand, the general public may demonstrate and exercise their constitutional rights of free speech, assembly and distribution of materials so long as they obey the college rules of "time, manner, and place" and do not disrupt the orderly process of student education.

The President of Allan Hancock College shall designate a person (Vice President or Dean) to review material and exercise administrative responsibilities as required by the policy. Any student may appeal a decision concerning this policy to the Vice President, Student Development and Services or President, who shall render a decision within a reasonable time and in any event, not later than one school day after receipt of the appeal. The appeal shall be based solely on the standards established in Education Code Section 76120.

Knowing violation of this policy by any student is sufficient cause for suitable disciplinary action to be taken.

B. Procedures

These procedures are established as a means of implementing the Board Policy pertaining to publicity. The intent of these procedures is to control the time, place, and manner of publicity materials, to protect the aesthetics of the campus, to ensure that the campuses are not misused for the promotion of private enterprise and to permit safe and orderly flow of traffic. The Vice President, Student Development and Services is designated as the person to review material and exercise administrative responsibility as required by Board Rule #2.

1. All posted materials anywhere on campus must have the Student Activities stamp. Stamping of posters should not be construed as a judgment on the content of the material to be posted.

3. Requests by off-campus individuals or agencies to disseminate materials on the Allan Hancock College campus shall be referred to the Student Activities Office.

5. Individuals are expected to use good taste in their manner of expressing ideas. All language, pictures, drawings, or photographs used in any material distributed, displayed or circulated pursuant to this policy must not be vulgar. Vulgar as used herein includes that which is obscene or profane.

7. The maximum size for any individual, student, club or election banner for display will be four feet by twelve feet (4' x 12'). Any individual or club shall be permitted a maximum of two (2) banners for any one event, on display at any one time. Banners that are to be left out of doors overnight must be constructed of material such as sign cloth that will not shred in the wind. Locations for display of banners in designated areas are: Student Center, Math/Science Patio, Business Education Building and Gym. In order to maximize available space in the Student Center, banners in the Cafeteria must fit horizontally within the confines of one window.

Such materials must be distributed hand to hand and shall not be left undistributed or stacked for pick-up while unattended at any place on the college campus except where containers are provided for that purpose by the College. Any exception to this stipulation will be at the discretion of the Vice President, Student Development and Services. The quantity of notices or number of students or groups who may distribute materials on any one day may be limited.

9. No materials shall be placed over or obstruct the view of previously posted materials or of directional, emergency, or warning signs. No materials may be placed on entrance doors in any building.
