Message from ASBG

Welcome to the first edition of The Paw Print! Our mission is to keep students connected with campus life and the students that serve YOU! Here, we will highlight events, clubs, your fellow outstanding bulldogs, and more to come!

With this newsletter, we aim to make every student feel included and celebrate the opportunities our campus has to offer. This newsletter is not just about reporting events; it is about sharing the stories and memories that make AHC truly unique.

Student Spotlight

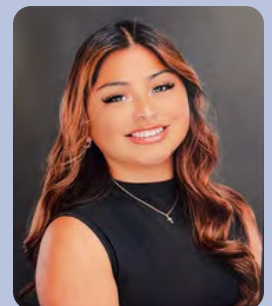

Annabelle

Meet Annabelle, our ASBG President! As President, she leads meetings, offers support wherever she's needed, and serves as a leadership figure for the board and the student body. Annabelle is currently working on redesigning the Student Center bulletin board and hoping to launch a podcast to highlight and amplify student voices across campus.

Daisy

Meet Daisy, our ASBG Student Trustee! Actively involved in DEIA and advocacy work, she has helped organize events such as the DEIA Summit, Cine y Cultura Movie Night, and a DEIA Luncheon. As Student Trustee, she aims to uphold transparency as she bridges students and administration, represents student voices, and continues to foster greater campus engagement.

Club Spotlight

Young Farmers and Ranchers

The Young Farmers & Ranchers Club started the year strong with new officers and President, Hailey Liles, officially installed and their first meeting being a success! This dedicated group of students is excited to continue building leadership, service, and agricultural pride throughout the year.

In September, members volunteered at the Opening and Closing ceremonies at Pioneer Valley on the 27th as well as made beautiful centerpieces at the CTE Luncheon using vegetables on October 3rd. Their hard work and teamwork stood out, and we look forward to seeing all the great things the Young Farmers & Ranchers will accomplish in the months ahead.
