All Classes are Tuition-Free!

Commercial Trucking

This certificate program offers:

- Everything you need to secure a commercial trucking license.
- Defensive driving skills, the basics of backing up, and how to operate the manual transmission on a large commercial truck.
- U.S. Department of Transportation rules, regulations and legal issues that apply to trucking and transportation.
- Everything about how commercial vehicle systems operate, how to safely navigate tractor-trailer rigs and equipment, and how to conduct routine, preventative maintenance.

Plus, all classes are tuition-free.

Earn More!

Having a Commercial Truck Driving Certificate of Completion allows you to earn more in a job that can take you across the country. Possible careers include:

- Heavy and tractor-trailer truck driving
- Delivery truck drivers

Commercial truck drivers based in the region are earning an average of up to \$55,000 or more annually. What's more, there is no shortage of jobs in the commercial trucking industry; the American Trucking Association says the country is currently facing an estimated shortage of nearly 60,000 commercial truck drivers.

Allan Hancock College Community Education Career Certificates are **tuition-free** for all students. **This means you are not charged for taking classes.** No financial aid application is necessary.

About Allan Hancock College Community Education

Allan Hancock College offers a variety of free, noncredit, community education programs that include career training, citizenship preparation, computer skills, English as a second language, and more.

These flexible, easy-to-access, tuition-free programs are taught during the day or evening. Some programs are also available on the weekends. Our students learn skills that prepare them for promotions or for new careers, and often transition into for-credit college courses that lead to a degree.

Allan Hancock College Community Education also offers low cost, fee-based programming. Classes and programs include College for Kids, career training, personal development, fitness, and music. Community Education has also partnered with Ed2Go to provide career-related fully online courses.
