

Welcome to the

Lunch

Tuesday, April 30, 2024

12:30 - 3PM

Mechanics Bank Student Center,

Room G 106 A/B

Panel Discussion

This discussion will be a space for students, staff, faculty, and administrators to share their perspective on what it means to foster a safe and inclusive campus culture. Issues will range in scope, from more personal experiences to systemic challenges facing the broader community. Our goal is to courageously and compassionately articulate actions we can take to foster a more inclusive environment to enhance equity and learning outcomes for all.

Mission

Our mission, as the DEIA / EEO committee, is to engage the campus community in the examination of perspectives, skill development, and provide equitable resources to transform the way we serve students, employees, and the surrounding communities through culturally responsive and humanizing actions.
