A MESSAGE TO THE 2024 ALLAN HANCOCK COLLEGE GRADUATES

UN MENSAJE PARA LOS GRADUADOS DE ALLAN HANCOCK COLLEGE DEL 2024

Congratulations!

Today, as Allan Hancock College commemorates its 103rd graduating class, we celebrate more than a century of Hancock changing the odds for our students. From a humble beginning of only six graduates, the college has grown to provide exceptional higher education to thousands of students every year.

The class of 2024 embodies the spirit of our college. Despite facing numerous challenges, you displayed remarkable resilience and unwavering determination. You excelled in your studies while juggling work, family, and other commitments.

Through the gift of education, you've successfully changed your own odds, and I encourage you to carry the torch forward and now change the odds of your community.

Today you set out on a journey toward a successful future. All of us at Hancock are honored to have played a role in your story and are excited to see the incredible feats you will achieve.

On behalf of the Allan Hancock College Board of Trustees, faculty, and staff I congratulate you – the class of 2024 – on your graduation from Allan Hancock College.

¡Felicidades!

Hoy, Allan Hancock College conmemora su 103^a clase de graduados. También, celebramos más de un siglo de Hancock cambiando las probabilidades para nuestros estudiantes. Desde un humilde comienzo con solo seis graduados, el colegio ha crecido para ofrecer una educación superior a miles de estudiantes cada año.

La clase de 2024 encarna el espíritu de nuestro colegio. A pesar de enfrentar varios desafíos, ustedes mostraron una determinación y resiliencia extraordinaria. Sobresalieron en sus estudios mientras tenían que trabajar, cuidar a la familia, entre otros compromisos de la vida cotidiana.

A través del poder del estudio, han podido cambiar sus probabilidades y les aconsejo que sigan la lucha y ahora cambien las probabilidades de su comunidad.

Hoy embarcan en un camino hacia un futuro mejor. Todos nosotros aquí en Hancock estamos honrados de poder ser parte de su historia y estamos muy emocionados de ver lo que lograrán.

En nombre de la Junta Directiva de Allan Hancock College, la facultad y el personal, felicitamos – a la clase de 2024 – por su graduación de Allan Hancock College.

Go Bulldogs! | ¡Vamos Bulldogs!

Kevin G. Walthers, Ph.D.
Superintendent/President
Superintendente/Presidente

Danica Black

Danica is graduating from Hancock with an associate degree in kinesiology. Her journey as a student-athlete began impressively, as she was recognized as a First Team All-League selection for the women's golf team during her junior year at Orcutt Academy, where she also earned the same honor four times in softball. Danica continued to pursue her passion for women's golf and softball as a Bulldog and soon discovered Hancock's kinesiology program. As she prepares to transfer to a four-year university, Danica aims to continue her involvement in athletics with hopes of becoming a physical therapist. She cherishes her time at Hancock and reflects fondly on the opportunities that the Bulldog athletics program provided to bond with teammates and excel in both sports and academics.

Coming to Hancock allowed me to stay local and benefit from everything the college has to offer. It feels great to be graduating and moving on to the next step. I loved being a part of the sports teams and will miss it dearly.

Esmeralda Del Rio

As the first person in her family to graduate from college, Esmeralda is earning an associate degree in psychology today. The journey to this point was challenging. A working mother of five, Esmeralda says she was initially nervous to start her college career but excelled with the help of Hancock's EOPS and Rising Scholars programs and the Basic Needs Center. Esmeralda also joined the Beyond Incarceration Greater Education (BIGE) Club, where she served as vice president. Esmeralda says she hopes to continue her education at a four-year university (she's been accepted to Cal Poly, San Luis Obispo) and enter a career as a marriage and family therapist.

Coming back to college was the start of a new journey, and Hancock helped open a lot of doors for me. The people on this campus helped make me feel welcomed and supported.

Mario Gonzalez

Originally from Michoacán, Mexico, Mario was working in Santa Maria's agricultural fields when he began taking noncredit English courses through Hancock's Community Education program. After excelling in his English classes, Mario earned his G.E.D. and transitioned to taking credit classes from the college. Today, Mario is graduating from Hancock with an associate degree in welding. He credits the opportunity to receive financial aid and the college's noncredit and EOPS programs with helping him achieve his goals. Mario not only plans to work in the welding industry but also hopes to continue his education at a four-year university.

Hancock helped me learn English and get my degree. The noncredit courses I took helped me be prepared for the responsibility of taking credit classes and improving my education.

Peko Leasiolagi

Peko has dreams of playing in the NFL, and his experience at Hancock has set him up for success. Graduating from Hancock with an associate degree in recreation, event, and sports management, Peko is a dedicated student-athlete. He played a key role in the offensive line of the Bulldog football team, and his hard work and talent on the field earned him Second Team All-Conference honors from the Southern California Football Association and a four-year scholarship. Peko will soon transfer to a university and is incredibly grateful for the support of his coaches, who he credits for helping him reach his goals.

The coaches have been a big part of my career. It's been an awesome experience here at Hancock, and I will miss everything.

Samantha Martinez

This past year, Samantha served as the voice of the Hancock student body. Graduating today with a degree in political science, Samantha dedicated much of her time outside the classroom to making Hancock a fun, welcoming, and supportive place for students. She not only served as president of the college's Associated Student Body Government but also founded Active Minds, a student club that promotes mental health and wellness on campus. As a first-generation college student, Samantha credits the support and resources she received at Hancock for her ability to thrive in college. That included receiving the Hancock Promise, allowing her to attend her first year at Hancock tuition-free. She plans to transfer this fall to her dream school, UCLA, and continue her studies in philosophy and political science.

My time at Hancock has shown me the importance of uplifting others and working to better ourselves and our community. Everything I was able to accomplish was thanks to the people at Hancock who were there to back me up and cheer me on.

Mary Santos

After a 21-year break from college, Mary is graduating from Hancock with associate degrees in both psychology and liberal arts: social and behavioral sciences. Becoming a stay-at-home mother took priority for Mary; once her children became more independent, she decided it was time to return to school. Mary fondly remembers her first day back when she was amusingly mistaken for the teacher in her class. Now as she prepares to graduate, Mary is amazed at how quickly her time at Hancock has passed. She is eager to start working and uses her story to encourage others who might be hesitant to take their first step back into school.

Being at Hancock has really prepared me for the workforce. Getting my degree seemed overwhelming at first, but it felt good to know that I was supported the entire time. Life can get busy, but if you're thinking about returning to school, just go for it.

ENTER THE GRAD CAP CONTEST

TO ENTER:

1. Decorate your grad cap
2. Post a picture of your cap on social media on or before Monday, May 27
3. Tag your picture with #AHCgrad and @AllanHancockCollege
4. Prizes will be awarded for most creative, most AHC pride, and most inspirational

2023-2024 GRADUATING CLASS

** High Honors (gold tassel) Students have graduated with a cumulative GPA of 4.0.

* Honors (gold tassel) Students have graduated with a cumulative GPA of 3.5 – 3.9.

Students wearing gold sashes are active members of Alpha Gamma Sigma Honor Society.

Any Honors or High Honors notations listed in the program are subject to change upon final evaluation of the degree.

Allan Hancock College will provide one graduation photo for FREE!

Grad Images will photograph the diploma presentations. Each graduate will receive their proofs by mail and email within seven days after commencement. Included will be instructions to view a personalized and individual gallery of photos from the event on the Grad Images website **www.gradimages.com**.

A wide variety of photo packages will be available.

¡Allan Hancock College proporcionará una foto de graduación GRATIS!

Grad Images tomará fotografías de las presentaciones de diplomas. Cada graduado recibirá imágenes de sus fotografías por correo y por correo electrónico dentro de los siete días después de la graduación. Se incluirán instrucciones para ver una galería personalizada e individual de fotos del evento en el sitio web de Grad Images: **www.gradimages.com**. Habrá una amplia variedad de paquetes de fotos disponibles

The Allan Hancock Joint Community College District ("District") is committed to equal opportunity in employment and all access to institutional programs and activities. The District, and each individual who represents the District, shall provide access to its employment opportunities, services, classes, and programs without regard to national origin, religion, age, sex or gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, or military and veteran status of any person, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

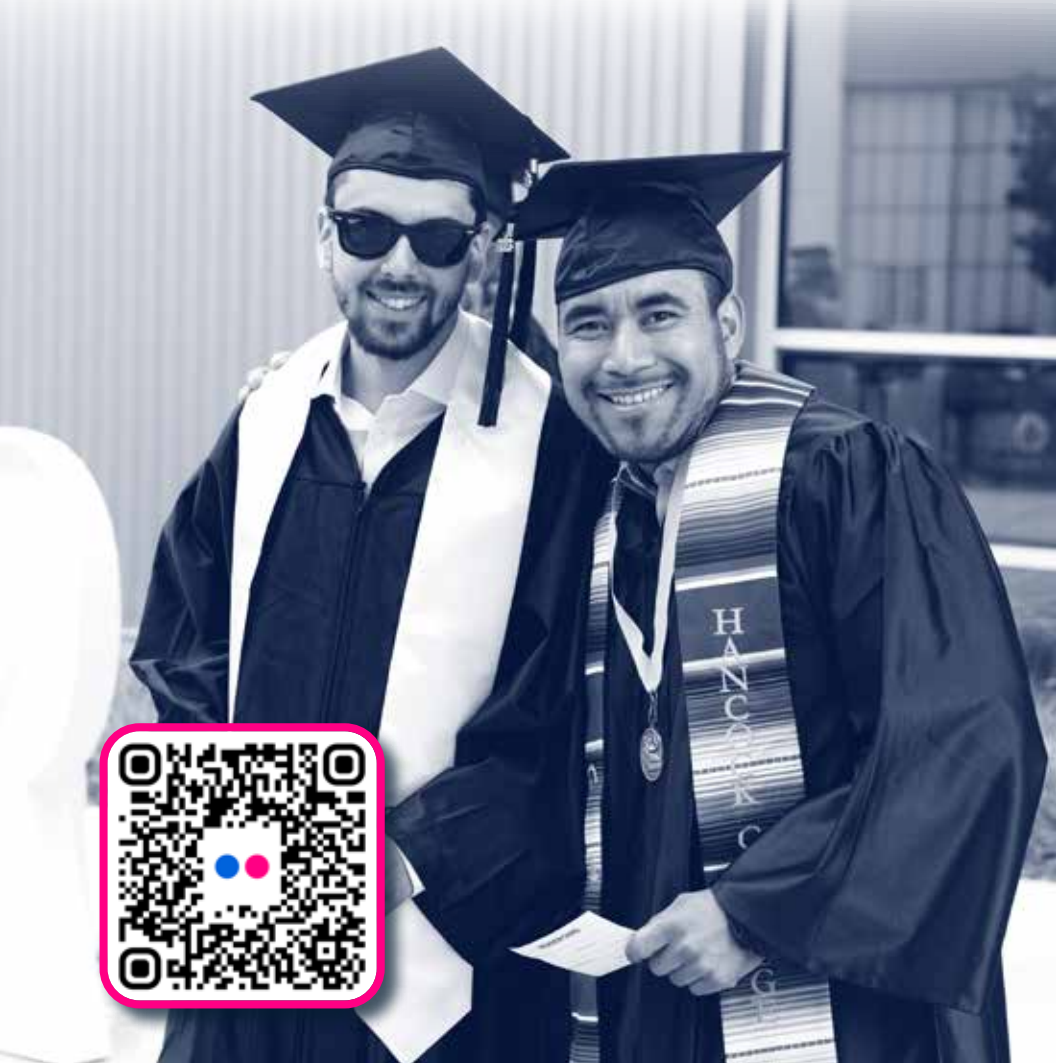

Allan Hancock College will provide, upon request, alternate translation of its general information documents in large print, Braille, e-text, etc. Please call 805-922-6966 ext. 3788.

El Distrito Unido de Allan Hancock Community College ("Distrito") se compromete a ofrecer igualdad en el empleo y en el acceso a sus programas institucionales y actividades. El Distrito, y cada persona que representa al Distrito, debe proveer acceso a las oportunidades de empleo, servicios, clases y programas sin importar la nacionalidad, religión, edad, sexo o género, identidad de género, expresión de género, raza, color de piel, condición médica, información genética, descendencia, orientación sexual, estado civil, incapacidad física o mental de la persona o por tener estatus como militar o veterano o porque se percibe que él o ella tiene una o más de las características mencionadas o en base a tener una relación con una persona o grupo que se percibe tenga una o más de estas características.

Allan Hancock Community College proveerá, si usted lo solicita, traducciones alternativas de documentos de información general impresos en letra grande, en Braille, usando texto electrónico, etc. Por favor llame al 805-922-6966, ext. 3788.

CHANGING THE ODDS

With bold visions for the future and a student body of six, Santa Maria Junior College opened its doors in August 1920. The college operated in Santa Maria High School facilities and offered classes that paralleled the lower division curriculum of the University of California. Its mission was to offer quality higher education to area youth without requiring them to leave home.

After three decades of “double occupancy” at the high school, the college made a monumental leap toward its future by acquiring Hancock Field from Capt. G. Allan Hancock in 1954. Shortly thereafter, the name of the college was changed to Allan Hancock College.

Today, with more than 12,000 credit students a semester, Allan Hancock College is delivering on the promise of quality education at home. It offers more than 200 academic and career technical education programs that lead directly to degrees, certificates, great career opportunities, transfer to a university, and individual skills development.

The college challenges its students to excel in every way. In return, Hancock students consistently enjoy high acceptance rates to universities and strong employment opportunities in their chosen career fields.

As one of the premier community colleges in California, Allan Hancock College makes it possible for its students to change their odds.

MISSION: Allan Hancock College fosters an educational culture that values equity and diversity and engages students in an inclusive learning environment. We offer pathways that encourage our student population to achieve personal, career, and academic goals through coursework leading to skills building, certificates, associate degrees, and transfer.

SHARED VALUES: Student Success, Equity, Academic Freedom, Diversity, Innovation, Mutual Respect, Inclusivity, Collaboration, Lifelong Learning, Excellence, Shared Governance.
