

Equivalency Certification for Noncredit Health and Safety

Name: _____ Department: Community Education

Semester/Year: _____ Discipline/Area: Health and Safety

Criteria for Equivalency: The applicant named above meets the criteria for equivalency. This has been verified by review of the applicant's official college transcripts and other materials. (Attach documents used to verify candidate's qualifications.)

Minimum Qualifications

A bachelor's degree in health science, health education, biology, nursing, dietetics, or nutrition; or an associate degree in any of those subjects and four years of professional experience related to the subject of the course taught.

Criteria for Equivalency

- A bachelor's degree in any discipline or 12 semester units of coursework in the designated major field and four years of professional experience related to the subject of the course taught.
- An associate degree in any discipline and four years of professional experience related to the subject of the course taught.
- Licensure or certification in a discipline where the license or certification requires hours of formal instruction and four years of professional experience related to the area of assignment.

Rationale: Explain how the applicant's qualifications meet the selected guideline. Qualifications must be verified with appropriate documentation.
