## **Emergency Grant Funding Application for COVID-19 Block Grant**

In August 2020, the CA Community College Chancellor's Office announced both federal and state relief funds in the form of \$120 million in funding known as the COVID-19 Block Grant. These funds are to be used for direct support of student learning, continuity of education, and mitigated learning loss related to COVID-19.

You are one of the first students to receive COVID-19 Block Grant funding for the fall 2020 semester. A financial aid award has been processed for you recently and is based on the number of units you are enrolled in as of Monday, August 31st. You can check your award by going to your myhancock portal and choosing the Summer 2020 to Spring 2021 award year and click on Award Offer. All disbursements (refunds) are made through BankMobile. Be sure that you have your refund preference completed ASAP. For more information go to: <https://www.hancockcollege.edu/cashier/bankmobile.php>

**IMPORTANT:** As part of accepting these funds, we do need you to complete the survey link "below" that will help us confirm that this funding can help you with unexpected expenses that you incurred as part of the disruption of educational services due to COVID-19.

The COVID-19 Block Grant funds are to be used for direct support of student learning, continuity of education, and mitigated learning loss related to COVID-19.

If you are interested in receiving potential future financial assistance, please complete and submit this survey.
