Would you be willing to pay a fee to charge an electric vehicle if Allan Hancock College had a charging station?

- Yes
- Maybe
- No

There is many different pay rates for electric vehicle charging stations. Some rates are by the hour and others are a flat fee. What would be the maximum amount you would be willing to pay per day to charge an electric vehicle if Allan Hancock College had a charging station?

- Less than \$1.00
- Between \$1.00 to \$3.00 dollars
- Between \$3.00 to \$5.00 dollars
- \$5.00 or more
- Don't know/Unsure

If you had an electric vehicle, how often do you think you would use a charging station at Allan Hancock College?

- Less than once a month
- About once a month
- A couple of times per month
- About once a week
- A couple of times per week
- Daily
- Don't know/Unsure

Would you pay an additional fee for fast charging of an electric vehicle if Allan Hancock College had a charging station?

- Yes
- Maybe
- No

If Allan Hancock College had electric vehicle charging stations, would you be motivated to purchase an electric vehicle?

- Yes
- Maybe
- No

How many miles do you drive to get to Allan Hancock College?

- Fewer than 10 miles
- 10-20 miles
- 20-30 miles
- More than 30 miles

Which campus are you primarily located?

- Santa Maria
- Lompoc
- VAFB
- Santa Ynez

Select the building you park nearest most frequently for work/class.

[Santa Maria Campus Map](#)

- Building A - Student Services
- Building B - Administrative
