

# Allan Hancock College Fall Registration Report

## SPOTLIGHT AS OF 8/4/2025

### Enrollment

Fall 2024 23,418

Fall 2025 23,975 2%

## FALL ANALYSIS

Steady 2% growth fall 2025 compared to 2024. Historically two weeks before the fall term begins there is more enrollment activity than the previous couple months. If the positive trend of the last few weeks continues I would expect good news in the update next week.

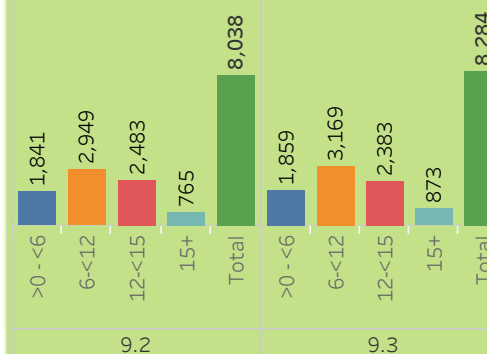

Next analysis week of 8/11
