## FALL ANALYSIS

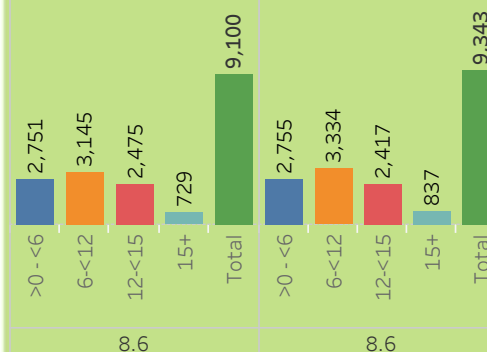

The holiday this week pushed census back to Tuesday 9/2. Overall, the good news is enrollments are up 2% for fall 2025 compared to 2024. There was a similar growth/decline pattern from the first day of the term to census for both years with 2025 narrowly pulling ahead. The next enrollment increase will be as concurrent enrollment gets entered into Banner throughout the next few months along with term 2 enrollments (8 week courses).

Next analysis week of 9/8
