

Emergency Medical Services Paramedic Training Certificate of Achievement

Program Requirements:

"Program Requirements" specify the courses required for this program. See suggested course sequence for additional information.

This Paramedic Certificate of Achievement prepares the students to take and pass the National Registry Emergency Medical Technician --Paramedic (NREMT-P) examination allowing them to become a

Licensed Paramedic in the state of California. Upon licensure, the graduate can gain employment as a paramedic on ambulances, as a firefighter paramedic that serves the community, as advanced life support 9-1-1 pre-hospital providers, and as a member of the acute care settings.

Suggested Course Sequence

The "Suggested Course Sequence" is an example of how to complete the requirements plus any additional general education that may be needed. If you would like to create a personalized Student Education Plan (SEP), schedule a meeting with a counselor.
