## Student Research Assistants

August 2024 - November 2025

**\$20 per hour**

**~28 hours per month**

The California Youth Advocacy Network (CYAN), in partnership with the Public Health Institute/Alcohol Research Group (PHI/ARG) and Ohlone College, are conducting a pilot study to examine community college student tobacco use and co-use with alcohol and cannabis; investigate the extent of student screening and intervention services; and identify student-centered strategies for increased utilization of substance abuse services.

Funding for this project is from the Tobacco Related Disease Research Program (TRDRP), a program of the University of California Office of the President.
